Sponsor Bead Party

Turn your next dinner party into a fundraiser!

Participate in a community of support and care

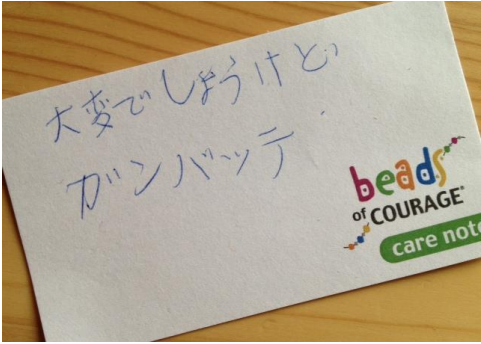

Thank you for deciding to raise much needed funds for Shine On! Kids! Your fundraising efforts and awareness will directly help kids and their families in Japan fighting cancer and other serious illnesses.

Each bead has been lovingly hand crafted by Japanese glass bead artists around the country and donated to Shine On! Kids. These artisans have begun the journey of support by giving the beads form, now help give the beads voice.

By writing a message of support, you are reminding a child in hospital that they are not alone and you are recognizing their courage and giving them hope.

Shine On!

Here's how it works in 3 easy steps

		
<p>1. Encourage your supporters to select a bead to give a child</p>	<p>2. Write a note of encouragement (In Japanese if possible)</p>	<p>3. Put bead and note in a bag and return to Shine On! Kids</p>

Your kit includes

		
<p>50 - handmade glass beads.</p>	<p>Cards to write messages of support</p>	<p>Bags</p>
